

Reflect on the keynote/ breakout session and consider how we can collectively shape more equitable outcomes for young people.

Please use this form to record your reflections and to inform your conference feedback responses (emailed to attendees Friday 7th August).

Keynote / Presentation: _____

1. What resonated?

What challenged, affirmed or extended your thinking?

2. What does this mean for me and my leadership?

How might this influence my thinking, leadership practice or priorities?

3. What does this mean for my site?

What opportunities, implications or actions should we consider at our school?

- **Potential opportunity**

- **Potential implications/challenges**

- **Possible next steps**

The questions below are designed to support your thinking when completing your feedback form response to help inform SASPA's advocacy agenda.

Please include this in your feedback form response, which will be passed on to the SASPA Office.

4. What does this mean for the broader Department for Education system?

What system conditions, supports or changes are needed to enable schools to achieve equitable outcomes?

5. What would effective SASPA advocacy look like?

Based on this session, what actions should SASPA support to influence positive change?
